Royalty & Production Calculator

Projected royalty payouts and production reports
based on historical well performance of nearby wells.

Follow these steps:

- Choose county & township
- Enter your acreage & royalty pct.
- Enter unit acreage if known
- (optional) Report for multiple wells
- (optional) Change ATW gas price
- (required) Agree to reuse conditions
- Click "Create Report" button below

Create Report

Susquehanna County

New Milford Township * (indicates no permitted wells)

Your acreage & royalty percentage	Total unit acreage & ATW gas price
7.5 Acres	7.5 Unit Size (acres) 1 Wells Within Unit
100 Royalty %	2.07 Gas Price (per Mcf)

I have read the limitations disclaimer and understand reuse permission is required: © MarcellusGas.Org

Royalty/Production Results

Susquehanna county, New Milford township | 7.5 acres at 100% royalties | Unit: 7.5 acres | Gas @ $2.07/Mcf | wells in unit: 1
